especially their hearts**

*A word from one of our four-legged  
helpers:*

Thank you for considering sponsoring one of my fellow pasture buddies! I can assure you it is greatly appreciated. We equines are not cheap! Many of us need special shoes and special feed due to our age. We are very picky about our hay, so only the best will do (which doesn't come cheap). Much to my dismay, we also must have vet care at least twice a year—and that's if nothing goes wrong. Thank you for helping us out!"

## Horse Sponsorship Program

## Sponsor a Small Miracles Horse!

*Small Miracles horses work hard to help our riders improve with each lesson.*

*Jonah holding the rings for his rider.*

All of the horses at Small Miracles are donated, leased for free, or the purchase price was provided by a donor. With the cost of hay and feed climbing each year, we are in need of horse sponsorships. Small Miracles horses are the true work force behind our therapeutic riding program. Without a raise in pay, they give of themselves to improve the quality of life for many children and adults with disabilities. Please sponsor a Small Miracles horse today. Your money goes toward feed, veterinary care, and horseshoeing costs. Thank you!
